BUCKSKIN HORSE ASSOCIATION - NSW

The Buckskin Horse Association of NSW Inc was established over forty years ago to meet the needs of owners wishing to register and promote their Buckskin and Dun horses and ponies in NSW. The Society was incorporated in 1984.

Horses & ponies registered with the Buckskin Horse Association of NSW have reciprocal showing and transfer of registration rights with other state Buckskin Societies subject to meeting colour requirements.

The Society also registered Buckskin, Dun, Smoky Black and Grulla horses and ponies from Queensland.

In 2021 the Association expanded to register other dilute and mixed coloured horses & ponies in the Other Coloured Registry.
