ADDITIONAL RULES & REGULATIONS

Buckskin National:

- **Only Buckskins Horses & Ponies registered with the Buckskin Horse Association of NSW or the National Buckskin Society (Vic) & South Australia Buckskin Association or WA Buckskin Society are eligible to compete. Buckskins resident in NSW must be registered BHA-NSW (They can't live here & show on Victorian papers). Horses must be shown in the name of the recorded owner who must be a member for 2022**
- All Buckskins must be Foal Recorded or Adult Registered to compete. Foal recording lapses when a Buckskin reaches the age of 4yrs as at the 1st August or is gelded, whichever occurs first. Should a Buckskin no longer be eligible for registration ie grey or roan, it will not be eligible to compete.
- All entries in the Buckskin National Junior handler/rider classes must be members of the BHA, Stud or Family membership.

Dun Factor Class Rules:

- In a Dun Factor class the judge is looking for the most & the strongest Dun Factor characteristics. The horse with the most number & most prominent Dun Factors will be the winner of the class. Where 2 horses are equal then marks shall be deducted for white markings on the legs. Should horses still be equal then marks shall be deducted for white on the face.
- Conformation is not considered & the horse is judged standing only.
- Examples of Dun Factor:
 - Dorsal Stripe** – A true dorsal stripe is prominent with well-defined edges running into the mane & tail & usually widening slightly over the loin area. It must not be confused with counter shading which is the less defined stripe sometimes found on Buckskins.
 - Leg Barring** – Horizontal stripes on the front & hind legs usually found at the back of the forearm & front of the gaskin.
 - Shoulder Barring** – Distinct dark area extending vertically down from the wither.
 - Mottling** – Mottled areas found on the forearms, sometimes in the wither area & sometimes hind legs.
 - Face Mask** – A darker area on the front of the face.
 - Ear Tipping** – In a dun the top 1/3 x 1/2 of the ear will be darker color unlike a Buckskin where only the edges of the ear is tipped.
 - Back Barring** – Vertical lines extending down off the spine.
