

## **Presidents Report – AGM April 2018**

Over the last 12 months I have been very proud of our small committee who have worked tirelessly to bring both old and new members to the Society.

I would like to mention that our Buckskin National was such a great success. The hard work from our Show Secretary and our internal Secretaries shows through their effort and determination. We would like to see more members join our Pointscore competition as we will be following through with a presentation at our next National Show.

A big thank you to all members who have supported Sydney Royal. It is imperative to keep the Buckskin classes ongoing at the most prestigious Royal show. This was a proud day to watch both the quality and presentation of both horses and members.

Keep up the good work and support for the Buckskin Horse Association NSW.

Sue Cole
